

1. Stop the vehicle at once.
2. Render all possible aid to the injured.
3. Notify the nearest police officer, sheriff or Highway Patrol officer.
4. Get the driver's name, residence, including city and street number, motor vehicle number and chauffeur's or operator's number. Give the same information to him about yourself.
5. If the accident involves a parked car or other property and you do not locate the owner, leave your name and address on the damaged property where the owner will find it and report the matter to the nearest enforcement authorities.
6. If the accident results in death or personal injury, or property damage exceeding \$100 to any one person, including yourself, you must file a report with the Safety Responsibility Unit of the Department of Revenue.
7. Report forms may be obtained from the Highway Patrol or from any of the following:

MILEAGE CHART

To find the distance between any two towns listed on the mileage chart, select the one that comes first in alphabetical order and follow down the vertical column of figures from this name until you reach the horizontal row of figures leading across to the other name. At this intersection you will find the approximate distance in miles between the two points, by the shortest or most practicable route, following numbered highways. Distances shown are between Central Business Districts. See yellow band on chart for example.
